

# Tiptonic Fingernail Pick Sizing Chart

- Step 1. Find your Shape by matching your fingernail to one of our 7 Basic Pick Shapes on the rows below**  
**Hold Nail Below Sheet - line up the dots right where the overhang starts on each side of the nail**  
**Step 2. Find your Width by moving across the row. The outline should just touch the sides of the nail**  
**Jot down the Shape and Width (Size) for each nail to be fitted (Ex. Index1 Shape3 W13)**  
**Step 3. Enter your Sizes online at [Tiptonic.com](http://Tiptonic.com) > Products > Sizing Chart to complete order**
